

# The PHARAOH

Perfect relaxation provided by advanced massage science  
and unprecedented healthcare technology.

**BODYFRIEND**

## Advanced XD Massage Module

Heated massage ball and sole roller provides spa-like massage while encoder & sensors enables precise movement control compared to previous products.

## Providing psychiatric treatment

Equipped with Mental massage that helps cognitive conversion through cognitive intervention narration, Meditation massage that provides a guide to step-by-step meditation by combining tactile stimulation with meditation, and psychotherapeutic imagery mode with 3D sound system that helps users realize and immerse themselves in a safe, comfortable and relaxing state.

## Intuitive & easy-to-use remote controller

Intuitive and easy-to-use remote controller that allows you to control details including massage intensity for each body parts, and provides informations such as current massage program and operational status of the massage chair.

## Innovative perineal massage

The perineal massage has excellent effects, such as helping blood circulation in the pelvic floor and around the anus, as well as inducing kegel exercises. An airbag and an elastic body installed in the center of the seat with calculated recline angle applies carefully controlled rhythmic pressure to the perineum.

## Safety sensors

The Pharaoh is equipped with safety sensors on various pinch-points to prevent accidents that may occur to users and in homes with children & companion animals. Product will cease to operate when an object is detected and prevent further accidents.
